As **Delta Community Credit Union** completes its system conversion, Mint aggregation services will be interrupted for 5 business days. For a successful account update, please do not log in to Mint.com for **Delta Community Credit Union** from **January 24 - 31, 2018**.

NOTE: You will be able to access your account information by directly logging into your Delta Community Online Banking during the interrupted time.

During this time, the Mint.com server will automatically make the system conversion for your activated accounts. After 5 business days, the accounts should reconcile showing your available transaction history.

In the event that your accounts do not display current transactions after 5 business days, you may log back into Mint.com and click refresh  to update the account. After the download completes, click the **Transactions** tab to view up to 90 days of transaction history.

Thank you for your patience during these changes.
