

APRs: Your account is assigned APRs for purchases, balance transfers, and cash advances as well as Penalty/Default APRs for each category of transactions as disclosed in this Addendum. These APRs are used to calculate your interest charges.

Variable APR. Unless noted otherwise, your APRs will vary based on the U.S. Prime Rate published in *The Wall Street Journal*. This means your APRs will increase if the U.S. Prime Rate increases and decrease if the U.S. Prime Rate decreases. An increase or decrease in the APR will increase or decrease the total amount of interest you pay. Therefore, the amount of your minimum payment applied to interest will increase or decrease. If *The Wall Street Journal (Eastern Edition)* is not published or the Prime Rate is not given on any of these dates, then the Index Rate will be determined by using the immediately preceding published Prime Rate for such date. If the Prime Rate is no longer available, we will choose a new index and notify you as required by applicable law.

Your APRs are adjusted monthly on the first business day of the billing cycle; each APR is determined by adding a Margin to the U.S. Prime Rate published in *The Wall Street Journal* on the first day of the previous month. The Margin is a percentage amount that we determine based on an evaluation of your credit history. Your Margin for each APR which applies to your account may be found in this Addendum. For example: If the U.S. Prime Rate is 4.00% and your Margin for a category of transactions is 10.00%, then your variable APR will be 14.00% APR (4.00% U.S. Prime Rate + 10.00% Margin = 14.00% APR).

Penalty/Default APR: The penalty/default rate applies when your payment history reflects one (1) payment over sixty (60) days late or two (2) payments over thirty (30) days late during the same 12-month rolling period.

Minimum Monthly Payment: Minimum Payment will be (a) 3% of the total new balance or \$20, whichever is greater, OR (b) your total new balance if it is less than \$20, PLUS (c) any portion of the Minimum Payment(s) shown on your prior statement(s), which remains unpaid.

Late Payment Fee: If you are ten (10) or more days late in making a payment, you will pay the above fee based on your outstanding purchase and cash advance principal balance at the time the fee is assessed.

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all customers, and that credit reporting agencies maintain separate histories of each individual upon request. The Ohio Civil Rights Commission administers compliance with the law.
