

Business Deposit Account Application - Corporation

A corporation is a legal entity separate from the persons that own it. Corporations exist as a product of corporate law, and their rules balance the interests of the shareholders that invest their capital and the employees who contribute labor. People work together in corporations to produce value and generate revenue. Corporations can be either profit-making companies or non-profit entities. Tax-exempt non-profit corporations are often called a “501(c)(3) corporation”, which is the section of the IRS code that address its tax exempt status. Corporations are created by filing the required documents with a particular state government and this process is called, “incorporation”. A corporation that operates in one state while being incorporated in another state is referred to as a “foreign corporation.” Foreign corporations must register with the secretary of state’s office in each state to lawfully conduct business in that state. A “doing business as”, (or DBA), registration is required on corporate accounts if the business name is different from the legal name of the corporation as stated in the Articles of Incorporation. The corporate by-laws provide the framework for its operation and management, and documents can make financial decisions for the corporation.

Certification of Beneficial Owner(s) Form

General Instructions

What is this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, address, date of birth and Social Security number (or passport number or other similar information, in the case of foreign persons) for the following individuals (i.e., the beneficial owners):

(i) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); and

(ii) An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of “beneficial owner” may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30 percent equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)). The financial institution may also ask to see a copy of a driver’s license or other identifying document for each beneficial owner listed on this form.

Certification of Beneficial Owner(s)

Federal regulation requires financial institutions to obtain, verify and record information about beneficial owners of a legal entity. For purposes of this form, a legal entity includes a Corporation, Limited Liability Company and Partnerships.
