

What's the difference between a Credit Union and a Bank?

Banks	Credit Unions
Stockholder Owned	Member Owned
In Business To Make Profit	Not-For-Profit Extra Money Goes Back To Members
High Fees	Lower/Fewer Fees
High Interest Loans	Lower Rates On Loans
Profits First, Customers Second	Members First, Better Service

Source: LoveMyCreditUnion.org

Credit unions save their members an estimated **\$8 Billion** annually due to better rates and fees.

Source: *Credit Union National Association*

And now you too can take advantage of credit union membership!
