Rick's Insights

Dear Members,

We're dedicating this issue to telling you more about the products and services available here at the credit union and why you should switch more of your financial business to Delta Community. As you know, all year we've been featuring our 10 Reasons to Switch to Delta Community in 2010 campaign. We started the year promoting our car loans and featured a great, low rate and a chance for TEN lucky members to win a \$100 gas card. You'll be happy to know we're still offering rates as low as 3.75% APR. If you're in the market for a new car or are looking to refinance, visit our website for more information or to get preapproved.

We next highlighted our low rate home loans and offered members the chance to win one of TEN flat screen televisions when they closed on a home loan by August 31. You can still make the switch and choose one of our mortgage products designed to save you money and fit your family's needs. And, just in time for summer vacations and getting the kids ready to go back to school, we rolled out our Visa® Credit Card promotion. Our competitive rates and free rewards program along with the chance to win one of TEN \$1,000 statement credits made for an exciting summer.

We've saved the best for last! We're happy to announce the culmination of the 10 Reasons campaign with another great opportunity to make the switch and win. Beginning September 1 through October 1, anyone who opens a new Personal or Business Checking Account and establishes Direct Deposit will be entered for a chance to win a grand prize of a \$10,000 CD or one of TEN

\$1,000 prizes. The article on page 3 will give you more details about this fun promotion and information about the many benefits of Delta Community's Checking accounts. If you already have your Checking account with us, we thank you and have another chance for you to win. On Friday, October 1 join us for Switch Day where you'll have the chance to win one of TEN Apple iPads, enjoy food and fun and visit with our staff. Read more about Switch Day and how you can participate in this issue.

In addition to working on the 10 Reasons campaign, in July we opened the Gainesville Branch - our first branch in Hall County. We'd also like to announce that our Decatur Branch is scheduled to open before the end of the year! We know a lot of members have been looking forward to the opening of this branch and we're happy to introduce the benefits of the credit union to the residents of east Atlanta.

We hope you enjoy it, and we're looking forward to seeing you on Switch Day!

Regards,

Rick Foley

Take Advantage Of All The Great Reasons To Choose A Delta Community Home Loan

RATES, PRODUCTS, STAFF AND MORE

Number 3 on our list of reasons to Switch to Delta Community highlights our Home Loan products. However, there are more than just a few reasons for you to consider choosing a mortgage with Delta Community this year.

GREAT LOW RATES

A very good reason to choose a Delta Community mortgage is the great low rates being offered. If you've been thinking of refinancing your mortgage, now is the time to do it. Visit our website and check out our competitive rates for first purchases and refinanced mortgages. Compare them to other market rates or your current mortgage and find out how you can save money. By lowering your interest rate you'll most likely lower your monthly payment which would give you more money to do other things like continuing to build your savings, or setting aside money for your child's college tuition.

A WIDE SELECTION OF PRODUCTS

Whether you're refinancing an existing loan or looking to buy your first home, Delta Community offers a wide selection of loan products to service a variety of needs. Our product offering includes 1st Mortgages for new purchases or refinance and products with no origination fee options.

We understand that buying a home can seem a bit overwhelming. That's why Delta Community's Real Estate Services department has a dedicated staff of Home Loan Specialists available and ready to walk you through the entire mortgage process. Our team of Home Loan Specialists can assist you by answering questions that you may have regarding the purchasing process and more. Most importantly, they'll help you with finding the mortgage that works best for you and your family's needs. Our friendly and knowledgeable specialists are conveniently located at most of our community branches in the metro Atlanta area. They can also be reached via email or by phone if you live outside of Georgia. Members Insurance Advisors Offers Savings On Aflac Cancer Insurance

If you could see into the future, some of what you might see would surprise and delight you. But certain future events, whether experienced by you, a family member or a friend would no doubt be troubling.

Unfortunately, there is no crystal ball. That's why taking precautions to protect yourself and your family from unexpected expenses involving your health is wise and beneficial from a financial standpoint. And that's where Members Insurance Advisors can help.

Members Insurance Advisors understands that peace of mind is what insurance is really all about. They offer priceless protection with a cancer/specified disease insurance policy through Aflac that can provide you with an extra measure of financial security.

Purchasing Aflac cancer insurance through Members Insurance Advisors means you get the benefits of group policy pricing opposed to what you would pay elsewhere for individual coverage. We're able to pass these savings along to you in the form of lower premiums, which saves you money!

Aflac cancer insurance is different than major medical insurance because it's insurance for daily living. Major medical insurance can help with the cost of cancer treatment, but all too often this coverage falls short when it comes to other unexpected expenses. This policy pays **cash benefits** if you or a covered loved one is diagnosed with internal cancer.

The best part is you can use your cash benefits however you choose. This money can be applied to help pay for out-of-pocket expenses, such as co-payments and treatment-related travel, as well as other expenses like your mortgage or rent payments, utilities, car payment or even groceries.

Be better prepared for the future – especially when it comes to your health and the well being of your family. Call **404-677-8652/ 1-866-444-4617** and talk with a Members Insurance Advisor about Aflac cancer insurance today. You can also email **Info@MembersIA.com** or visit them online at **www.MembersIA.com**.

Members Insurance Advisors also provides insurance protection for your home, car or truck, boat, and even your business.

It's Always A Good Time To Make The Switch To Delta Community

All year Delta Community has highlighted some of our best products and services with the 10 Reasons to Switch campaign. We kicked 2010 off with a car loan promotion where we offered a rate as low as 3.75%. During March and April, anyone who opened a Delta Community car loan was entered for a chance to win one of TEN \$100 gas cards. Although the promotion has ended, the record low rate continues to stand strong.

Members who applied for a home loan during May and June and closed by August 31 were entered for a chance to win one of TEN flat screen televisions. As the summer started to heat up, so did Delta Community's Visa® Credit Cards with the launch of our Visa sweepstakes promotion. Any member who applied for a Visa credit card between July 1 and August 31 was entered for a chance to win one of TEN \$1,000 Visa statement credits.

Finally, our 10 Reasons to Switch promotion concludes with Delta Community's high-interest, no hassle and no hoops Checking accounts. Any member who opens a personal or business checking account will be entered for a chance to win a \$10,000 certificate of deposit or one of TEN \$1,000 cash prizes.

Though our exciting **10 Reasons to Switch to Delta Community in 2010** campaign will culminate with October's Switch Day festivities, we want you to know that our goal to offer quality products and services complete with competitive rates and money saving offerings will always remain a major part of the reason you should consider the credit union as your primary financial institution!
