Rick's Insights

Dear Member,

It's hard to believe that we're almost at the end of another year. 2010 has been an exciting time here at Delta Community. We opened the doors to two new branches, we've welcomed more than 24,000 new members,* added a young adult product to our Visa® Credit Card portfolio, launched our Mobile Banking service, hosted two car sale promotions and a series of educational seminars and events – all while running a major year-long campaign, *10 Reasons to Switch to Delta Community in 2010*.

The Ten in '10 campaign culminated with a Checking Account sweepstakes promotion from September 1 through October 1. Anyone who opened a Checking Account (with Direct Deposit for personal accounts) during that time was automatically entered for a chance to win a \$10,000 Certificate of Deposit or one of TEN \$1,000 cash prizes. Winners of this sweepstakes will be selected and notified in December.

On Friday, October 1, we celebrated the end of the campaign with a grand finale event. Switch Day gave members and prospective members a chance to visit their nearest branch for giveaways, refreshments, prizes and best of all, an opportunity to switch more of their financial business to Delta Community. Be sure to read the article on page 6 for more Switch Day highlights.

Just when you may have thought that we were winding down for the year, we unveiled an incredibly low Car Loan rate. The new 2.75% APR was introduced in connection with our Fall Car Sale event in October. If you're in the market for a new or used car for yourself

*Gross, Year-to-date

or a gift, now is the time to shop around. You can check out the article on page 5 to learn more about our Car Loans.

Also in this issue of *Insights*, you'll learn about our new First Time Home Buyer product, which is especially good for those of you looking to buy your first home. Another topic that is very fitting for the holiday season is covered in the Courtesy Pay article on page 2. And, you'll definitely want to read about the Aflac Accident Insurance product offered by Member Insurance Advisors, our wholly owned subsidiary group.

As we enter the Thanksgiving and Christmas season, I hope you'll take time to enjoy special moments with family and friends. I want to thank you for your loyalty and continued support of Delta Community. Your trust in our ability to provide you with competitive low rates, quality products and cutting edge technology and services is something that is very important to us. Please know that as the credit union continues to advance and grow, our commitment to always do the right thing remains number one on our list of goals and initiatives for next year and beyond.

Merry Christmas and Happy New Year,

Delta Community Account Protection Tools Are At Your Disposal

The holiday season is quickly approaching and it's that time of year when your spending goes into overdrive. Shopping for gifts and holiday decor, in addition to entertaining, takes a toll on your wallet. If you barely have time to make your shopping list, chances are there may not be enough time to balance your budget. And, just when you think there's enough money in your account to cover a purchase, your payment is suddenly declined.

Take control and prevent the potential hassle and inconvenience of your everyday bill payments and purchases being declined or returned for insufficient funds. We offer account protection tools that give you the comfort of knowing your Check and Visa® Check Card transactions are covered should there ever be an instance where there is not enough money in your account.

Overdraft Protection is a free service that links a qualified account such as a Savings, Money Market, Line of Credit or Visa® Credit Card to your Checking Account. In the rare instance your account has insufficient funds to cover a transaction, the funds are automatically transferred from an account you've designated.¹

Courtesy Pay covers checks and Automated Clearing House (ACH) transactions such as recurring mortgage or gym membership payments made using your checking account number. You automatically receive this service with a coverage limit up to \$500 as long as certain account requirements are met.² A fee up to \$35 may be applied for each transaction.

Courtesy Pay Plus is a new service that serves as an enhancement feature to Courtesy Pay and covers everyday purchases made with either an ATM Card or Visa Check Card. When you enroll in Courtesy Pay Plus, you can confidently use your ATM or Visa Check Cards to make purchases without the worry of a transaction being declined. We will cover purchases, as long as the account requirements are met for a fee up to \$35. Transactions covered through Courtesy Pay Plus count toward the \$500 coverage limit for Courtesy Pay.² **More information, including the launch date, will be available on the website over the next few weeks.**

TIPS TO MANAGE YOUR ACCOUNT:

- Sign up for our free Electronic Services such as Online Banking, Mobile Banking and eAlerts
- Record your transactions
- Keep track of outstanding and pending transactions

¹ While not a fee, if Overdraft Protection is covered with a loan product finance charges will accrue on unpaid outstanding balances.

² We pay overdrafts at our discretion under the Courtesy Pay and Courtesy Pay Plus services. This means we do not guarantee we will always authorize and pay any type of transaction when there is not enough money available in your checking or designated Overdraft Protection accounts to cover the item. For example, we may not pay overdrafts when you are in default on a loan with Delta Community or your account is otherwise not in good standing. Repayment of the overdraft amount is expected within 30 days. If you have additional overdraft items during this time, the account still must be brought to a positive balance on or before the 30th day from the date of the initial overdraft item. Deposits received by Delta Community CU during the 30 days will be applied first to your overdrawn checking balance.

Members Insurance Advisors Now Offers Aflac Accident Insurance

Accidents happen. That's a popular phrase that everyone can relate to. And that's why Members Insurance Advisors, Delta Community's wholly owned subsidiary, is pleased to now offer credit union members special discounted rates on Aflac accident insurance.

While major medical insurance can help with healthcare costs, it often falls short when it comes to other unexpected expenses. Aflac is different than major medical insurance because it's insurance for daily living.

Aflac's personal accident indemnity plan helps cover expenses associated with an injury resulting from an accident. It pays you directly, unless you assign benefits, regardless of any other insurance you may have. And the best part is you can use your cash benefits for accident related expenses - or however you choose. For covered individuals, benefits may include emergency treatment, follow up treatment, initial hospitalization, hospital confinement, physical therapy, accidental-death and more.*

Preparing for the unexpected is always a smart move, especially when it comes to your health and the well-being of your family. Aflac's accident policy can provide you with an extra measure of financial protection, and more importantly, the peace of mind in knowing you have a Plan B if the unexpected arises.

To learn more about the savings you can get on Aflac accident insurance available through Members Insurance Advisors, or to enroll, visit www.MembersIA.com or call **404-677-8652/866-444-4617**. You can also email info@MembersIA.com.

Aflac accident insurance is another example of how Members Insurance Advisors looks out for your best interests. They can also help protect your most valuable assets like your family, your home, your car and your business.

Or, use your Visa Check Card to earn 1 point for each \$2 spent for eligible purchases.

So, this holiday season, make it about others, but don't forget about yourself. Get the rewards that suit your style.

CD Alternatives And The ABCs Of Conservative Investing

When the credit union was founded in 1940, a gallon of gas was 11 cents, bread was 8 cents, and a stamp was 3 cents. During that time, the average annual household income was \$1,900. Now, 70 years later, value is being redefined everyday as new economic challenges impact your financial bottom line in a variety of ways.

Not so long ago, attractive interest rates on Certificates of Deposits (CDs) drove many to lock up their money for a longer term in order to benefit from the higher yield. Successive interest rate cuts made by the Federal Reserve have slashed the interest income earned on those products. As these higher interest rate CDs mature and as market fluctuations continue, many are looking for more conservative investment alternatives as a means to protect and grow their money.

With so many investment options available, it's sometimes hard to sort through them all and feel confident in your decision. As your financial coach for life's events, Delta Community Investment & Insurance Services* is ready to help you get back to the basics with our ABCs of conservative investing.

A – ALTERNATIVES

Despite what seems to be never ending "bad news", there are still good alternatives. Many of the investment options being promoted today can be risky. We can help you make sense of all the noise out there by empowering you with knowledge that can lead to a more informed decision about you and your family's financial future.

B – BE PREPARED

Market volatility and continuing economic challenges are causing many to rethink what constitutes strong return on investments. Retirees and those with fixed incomes have been hit especially hard by lower interest rates and returns. This underscores the importance of choosing a reputable, responsible investment partner who understands your needs and can present you with good, sound investment options that are right for your individual circumstances.

C – CONSULTATION

Investing your money with a service-oriented financial institution you can trust is more important now than ever before. Our team has the professional knowledge and life experiences to help you explore investment options that make sense for your individual risk tolerance and time horizon. And, we'll do this in a friendly, personal way because we value your business.

Learn more about how we can help with all your investment and financial planning needs. Call **404-677-4890** or **800-544-3328** (option 3, then 4) and schedule a personal consultation with one of our financial advisors today!

Now Is The Best Time To Purchase A New Or Used Car

At Delta Community, now is certainly a good time to purchase a new or used car! Our car loan rates are as low as **2.75% APR***. With a rate that low, dealer rebates and huge inventories, now is the perfect time to buy.

And, when it comes to financing, in addition to great rates, the credit union has money to lend. That's because we've always been a conservative lender with responsible lending practices which allows us to offer quality loans to our members.

Our pledge has always been to offer products that are easy to understand and offer a great value for everyday needs. A Delta Community car loan is a very good example of that promise. There's an easy application process and no hidden fees or pre-payment penalties.

We also make the car-buying process easy. You can get pre-approved either online at **DeltaCommunityCU.com** or by calling **888-243-2629**. It's quick, easy and you can apply any time of the day or night. Plus, you'll get a response in minutes.

2.75%

As a member of the credit union, you have our car-buying partner, Car Solutions to help you find your new car. They also add value to your purchase with their extended warranty and GAP products. Visit their website at www.carsolutions.com or call us at **404-530-9000** or **800-226-5152**.

Additionally, Members Insurance Advisors, a wholly owned subsidiary of Delta Community, can help you determine which auto insurance policy is right for you and your family's needs.

Even though it may be the right time to trade in or trade up, buying a car is an important financial decision. From financing the loan to choosing other products designed to protect your investment, it's nice to know you have a trusted financial partner on your side.

*APR = Annual Percentage Rate. Rates are subject to change and are based on the length of term, age of vehicle and credit worthiness.

SWITCH DAY – A Success For Everyone

The Day

On Friday, October 1, Delta Community celebrated the culmination of our Ten in '10 campaign with a branch-wide celebration called Switch Day. The event served as an opportunity for prospective members to visit any one of our branch locations to learn about our products and services and make it a day to switch to Delta Community. Current members were also encouraged to visit their nearest branch, enjoy refreshments, giveaways and opportunities to win one of many nice prizes.

The Theme

The Switch Day event was not only fun and exciting, but it was an overall success for the credit union and a great opportunity for members to become more familiar with our portfolio of products and services. Guests who came into our branch locations throughout the day were greeted by staff members prepared to service their various needs. In the true theme of the day, many individuals enthusiastically arrived ready to switch and make Delta Community Credit Union their primary financial institution.

The Prizes

Through a Switch Day in-branch drawing, 10 lucky winners were the recipients of an Apple iPad. And, as part of our final Ten in '10 sweepstakes promotion, anyone who opened a Checking Account (with Direct Deposit for personal accounts) from September 1, 2010 through the October 1, 2010 Switch Day event, were entered for a chance to win either a \$10,000 Certificate of Deposit or one of Ten \$1,000 cash prizes. The Checking Account sweepstakes winners will be announced in early December.

Congratulations to all of our winners and to everyone who helped to make Switch Day a memorable event.
